

Tenney Handbook

Validation of Visitor/Client Parking

Visitors or clients of Tenney Plaza tenants must take a ticket from the ticket-dispensing machine as they enter the ramp. They must either pay for the cost of parking or present a validation sticker issued from the tenant as they exit the ramp.

Tenants wanting to obtain validation stickers to validate visitor parking should contact parking@uli.com to setup an account. An invoice will then be generated monthly for the charges the tenant has accrued. When more validation stickers are needed, contact parking@uli.com and allow 48 hours for processing.

If a visitor does not have a validation sticker issued by a tenant of Tenney Plaza, the visitor must pay the general public hourly parking rate when exiting the ramp. Cash and credit cards are accepted.
