

One East Main Handbook

Disposal of Specialty Materials

To dispose of confidential documents, the follow vendors offer shredding services:

[Pellitteri Waste Systems](#)

[Shred-it](#)

For proper disposal of computer equipment and small appliances:

[File 13 E-Waste Solutions](#)

For proper disposal of scrap metals and Freon containing appliances:

[Resource Solutions Corp](#)

For proper disposal of broken glass, please collect pieces in a separate bag or container and notify ULI. We ask that broken glass is not mixed with other trash or recycling, as this could be a safety concern for our staff. If large pieces of glass or windows are broken, please call the ULI maintenance line immediately at (608) 251-0707.
